THE TORCH

Virginia,
Loads of luck
to a real swell
gal, who just can't
seem to stay away from
U. Va ——— and Jim!! Thanks
loads for the help in the campaign.
I had fun "doing it all" even though
I didn't get it. Never forget the Beta Convention —
— and George!! Maybe we can get over to Virginia
Beach sometime this summer! I sure do hope so! Is
the feeling mutual?!! Speaking of doing things this summer,
what are we going to do? Something, I hope! Always
remember the prom and "everything" — I guess you know
what I mean by every thing!! Be good in the future,
— "if possible"! Be kind to Hi-Y sponsors!!! and
"dear ole" Mr. Wynne! — Sure hope you make
it to Dickie. With your ability, I'm
sure you will! Remember that
trip to Richmond with Kate, Susan, it
more fun. Hope we can do
it again sometime.
Be good — Love ya,
Sandy

The class of '57 has now arrived at the threshold to the future. Before us lies a whole new world filled with wonderment and expectation! Behind us lies five years of fun, folly, and friendships.

We shall miss our old friends, classmates, and teachers, but we know they will always stay close to our hearts through the pictures and words we find printed in this, our book of memories.

Moments to Remember

Dear Virginia

Well, due to Mrs. Mapp I was not able to write my little piece to you yesterday. so here I go today. There are so many millions of things I can say. Always remember the wonderful time we had during the Christmas of 55 Remember, also the many times we've double dated and gone to the gardens. The fabulous pool parties and especially the one last year when we "sort of" lost Wynter and Lucius. They have already been fun and I wouldn't trade them for a thing. I hope that sometime real soon we'll be able to double date again. I don't think Lucius knows Jim very well, but there's no better time than now. We should really have fun this summer going to Ocean City or Virginia Beach. That reminds me of another trip we took. The "dear old" Beta Convention. I shall never forget how beautiful you looked when you went to the ballet and the night you had your leg up in front of the w-----. I sure hope that someday we get to see George, he was really a "character." I thoroughly enjoyed working on the debate and I'm so glad you won, but I sure hope that, next year you get the side you want. Virginia you are really a great girl and I sincerely hope you get to have Dr. in front of your name someday. Good luck at Duke! I know you had a fabulous time at U. Va. and I think Jim is so nice. Be good to him and don't be to strict on those "prep" school boys in Penn. Don't forget the Prom nite 57 boy was Jim funny when he insinuated you were p-------! Love always,

Kay

MR. BURLEIGH B. TURNER, JR.

Because we owe so much to him, the Class of 1957 is very pleased to dedicate this edition of the Torch to Mr. Burleigh B. Turner, Jr. He has, through his excellent science teaching, opened our eyes to the many wonders of the world about us, and he has, through his fine photography, contributed so much to the annuals of Northampton High School.

Burleigh B. Turner, Jr.

Dear Parrott-

Ok, Well, here I go - Don't forget all the fun we've had and all the crazy things we done - The Beta Convention was one helluva - You looked real nice Saturday night. As for that discussion that night I have nothing to say - Please don't cry putting your hair in a bun until it gets longer - your dinner party before the "Prom" was a lot of fun and so was the Prom itself. Jim is real nice and I'll never forget him dancing at Kate's cabin, he was a riot. I know you had fun at U. Va.; did you behave? If you go to Germany be sure and write to us - Be good this summer -

A whole lot

Love,

Ginny

Best of luck
to a superior Sig

Dear "Ginny",

When you look down memory lane, remember this little "boy crazy" gal. Do you remember when we used to be in gym together, and those good old talks we used to have discussing all the boys and just everything in general? I think I'll always remember those days.

I think this eighth grade year will stand out in my mine forever!

Remember Beta Night and how excited I was. I don't think I could have done without you. Virginia lets face it you are just plain wonderful!

Remember all my many crushes, and how I used to tell you about them all. Remember when you went to that college dance (I've forgotten the name) and how we discussed your cloths.

Oh! Virginia, then came the Prom. It was simply wonderful: And Punky! Gosh, he did everything to made that night go right.

Virginia, I sincerely think that you are one of the sweetest and most wonderful girls I have ever met. You will always be one of my very best friends.

Love always,
Peggy

Dear Virginia,
Never forget our many recitals together. Gosh we really had loads of fun. I am truly glad you won 3rd place in Miss Elmore. You really looked cute. Just because we are graduating I hope it doesn't mean our friendship ends. Come and see me this summer.
Love ya,
Maryann

Dear Virginia,

We have had some wonderful times this year in "ye ole 9 hrs. Ed".

I have also enjoyd going to sub-district council meeting with you and also the one when you and John and Mooney came by and ate cake. That was fun and Anne Hamilton almost flipped her lid. She was thrilled to death.

I hope you get your chance to go to Europe. Mr. Williams sure does think alot of you. I shall apprct many letters from you.

I really did enjoy the "Nutcracker Suite" although did right much talking. You will have to will be the record. Maybe Jim will buy you another.

Lot of luck, and I hope you make the M.S. you hope to be and I hope you get the marriage. If not Miss Parott (or Dr. Parott) as the case may be) is very pretty.

Love,
Bobbie

Eastern Shore News, Dec. 1, 1956
NHS WALLOPS
INDIANS, 42-0

By Randy Warren

The NHS Yellow Jackets easily defeated the Cape Charles Indians Thursday and by doing, won their first Eastern Shore title since 1947. They finished the season with 7 wins, 1 loss (Norfolk Aca.), and 1 tie with Onancock. Thus Coach Carl Kane, finished his second straight season on the shore undefeated and with the title 2 years in a row also. It was Cape Charles, that he led to the title in 1955.

Although the score and statistics would seem to indicate the game to have been all NHS, it did not tell the whole story. The Yellow Jackets defense, Coached by George Yoong, played a large part in the win as they set up five of the six touchdowns with two intercepted passes, two recovered fumbles, and a blocked punt.

The NHS line broke through to block Jack Wilson's attempted punt as Cape Charles was unable to gain following the kick-off and took over on the Cape Charles 25. James and Tinnell alternated in carrying to the Indian 5 from which point Tinnell plunged over on a fourth down and three play.

Cape Charles deepest penetration in Yellow Jacket territory was to the NHS 36, as the stingy visitors held the Indians to 20 yd. gained and one first down in first half.

Tinnell and James again led the Yellow Jackets on offense as they scored 3 and 2 touchdowns respectively. Tinnell carried 22 times for 133 yd. James gained 118 yd. in 15 attempts.

As we again come to the end of the year we can think of experiences by the bushle-full. Remember the day we played fish in our little place in the hall. Sorry I was late to your dinner party before the Prom but it really wasn't my fault. You ~~know~~ boys do cause problems these days. Jim really tickled me when he was dancing at the cabin. You are the lucky one who goes to Ill. Va every month or so. You will have to get me fixed up with one of those guys. If you go away next year we'll sure miss you but I hope you don't. Can't think of anything else to write so I'll quit. Be good and have fun.

Love, Kate
